WEATHER SYNOPSIS BY REGION

NORTHERN CALIFORNIA

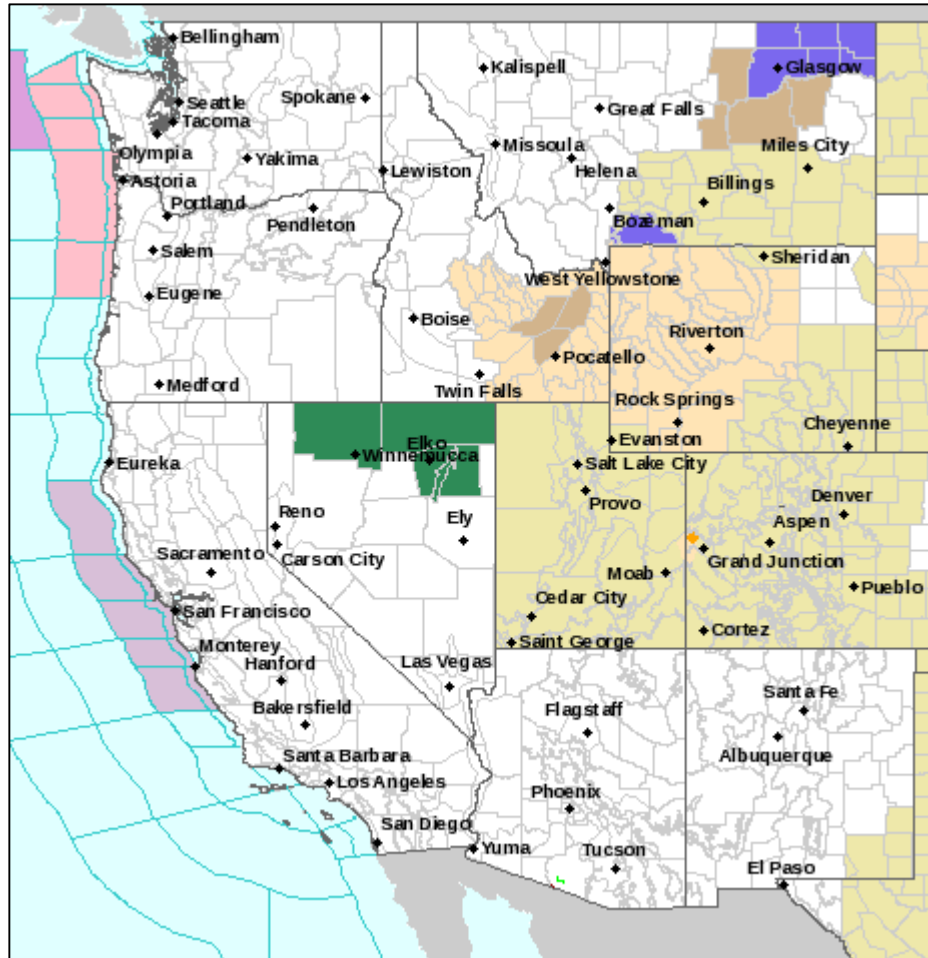

- Cool, moist, unsettled weather through Friday night, continuing E of the Cascade-Sierra crest Saturday.
- Most areas will have 7-day rainfall totals of 0.50-2.00 inches, except the Bay Area which will likely remain below 0.50 inches. Scattered thunderstorms today may produce heavier amounts.
- High pressure will build in Saturday and remain in place through Monday.
- N-NE/Offshore winds W Cascade-Sierra slopes to the coast Saturday-Monday. Peaking early Sunday with 15-30 mph gusts to 45 mph.
- Relative humidity (RH) will drop to 12-25% in windy areas Sunday-Monday, but rainfall preceding windy stretch will prevent this from being a High Risk event.
- More wet unsettled weather expected in northern areas next Tuesday-Thursday.

SOUTHERN CALIFORNIA

- A few showers will occur this morning near the higher terrain, but look for clearing skies in the afternoon. Conditions will remain breezy with cooler than average temperatures expected through the weekend.
- Additional rainfall from showers this morning will be under 0.05".
- Temperatures will only be in the 50s in the mountains to the 70s in the valleys today. Look for readings to climb back into the 60s in the mountains to the 80s in the valleys Friday through Sunday.
- A weak front will bring gusty north winds of 20-30 mph to the central coast and Owens Valley this weekend. Isolated light showers will be possible Saturday and Sunday in the Inyo National Forest.
- Drizzle and low clouds will be prevalent across Southern California during the first half of next week due to a deep marine layer. Strong west winds will be possible in the desert interface regions.
- No offshore winds or exceptionally hot temperatures are expected the next 7-10 days.

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions

- **2018-LAW-52108, 10/02/18, 2215 hours:** Siskiyou County Sheriff's Office (SCSO) reported a missing 47 year old male who was last heard from at 2045 hours on 09/30/18. The missing person (MP) is diabetic and insulin dependent. His insulin kit and cellular phone were located in his truck, which was discovered idling on a forestry road in the Siskiyou wilderness. SCSO requested forensic analysis of the MP's cellular phone through AFRCC. Because the phone was locked and off, AFRCC could not provide historical data. SCSO also requested a military aircraft for aerial search, due to the unavailability of civilian law enforcement aircraft for the mission. CNG Joint Operations Center (JOC) was contacted and assigned the rescue mission to CNG Aviation for 10/03/18. **UPDATE, 10/03/18, 1730 hours:** Multiple clues were located during this operating period. SCSO requested 30 Type 1 or Type 2 ground searchers and both HRD & tracking canine teams. Shasta, Trinity, Modoc, Tehama, Del Norte, Plumas, and Humboldt Sheriff's Offices, as well as the Law Enforcement Branch Canine Coordinator notified. **Mission Ongoing.**
- **2018-LAW-52075, 10/02/18, 0940 hours:** Santa Cruz County Sheriff's Office requested 30 Type-2 ground searchers and 8 Human Remains Detection (HRD) canine teams for 10/03/18, to search for the remains of a missing and presumed deceased person. Investigative information identified a location in Merced County that will be searched. Merced, Madera, Santa Clara, and San Benito Sheriff's Offices are deploying personnel. CARDA and Santa Clara Sheriff's Office are deploying HRD canine teams. **Mission Ongoing.**
- **2018-LAW-52025, 09/30/18, 1400 hours:** Port of San Diego requested assistance from the Cal OES Law Enforcement Branch/Cyber Security Integration Center to mitigate a technology attack to their server. Cal OES will deploy a Cal-CSIC team comprised of Cal-CSIC, California Military Department, and California Department of Technology staff. **Mission Ongoing.**
- **2018-LAW-52001, 09/28/18, 1630 hours:** Riverside County Sheriff's Department (RCSD) requested ten CNG Medium Tactical High-water Clearance Vehicles for two different areas in support of the in-coming weather event, Hurricane Rosa. According to current weather reports by NOAA, two storm fronts were approaching and expected to begin Sunday, 09/30/18, and impact the Cranston Fire and Holy Fire burn scar areas. CNG accepted the mission and pre-staged in support of potential evacuation or rescue operations in Riverside County. **UPDATE, 10/03/18, 1800 hours:** DC Sarro reported that the threat dissipated and the CNG resources were released. **Mission Closed.**
- **2018-LAW-50684, 09/01/18, 1500 hours:** Yolo County Sheriff's Office (YCSO) is resuming a prior search mission related to a cold case homicide. YCSO requested HRD canine teams to assist in their search. This mission was reopened and the Law Enforcement Branch Canine Coordinator facilitated the response of two HRD teams. **Mission Ongoing.**

Cal OES MISSION TASKING

Cal OES Missions

- **2018-SREOC-52063:** Daily Operations – California Department of Social Services (CDSS) Agency Representative (AREP) to support Southern Region Emergency Operations Center (SREOC) activation. ([Mission Closed](#))
- **2018-SREOC-52011:** Daily Operations – Caltrans AREP to support SREOC activation for potential debris flows in Riverside and Orange Counties in the Holy Fire burn area. ([Mission Closed](#))
- **2018-Cal OES-51904:** 2018 July Statewide Wildfires – CNG to provide 55 SHOUT NANO devices, 1 laptop computer, transportation, and required training in support of debris removal operations in the Carr Fire burn area. (On Scene)
- **2018-SREOC-51612:** 2018 July Statewide Wildfires - Holy Fire and Cranston Fire Burn Scars, Riverside County - Advanced Technical Assistance to address the imminent threat and high risk of mud and debris flows the Riverside County Operational Area will experience from the Cranston and Holy fire burn area. (On Scene)
- **2018-IREOC-49869:** 2018 July Statewide Wildfires - Debris Management Task Force for Shasta County. (Coordinating)
- **2018-IREOC-48515:** 2018-07-05-Klamathon Wildfire - Air monitors in Siskiyou County due to the Klamathon Fire. (On Scene)
- **2018-CREOC-48046:** 2018-06-23-Lake-Wildland Fire - DTSC to clear debris from Pawnee Fire. (Coordinating)
- **2018-IREOC-45244:** Daily Operations - Caltrans to remove dead and dying trees along highways in Kern, Tulare, Fresno, Madera, Mariposa, Tuolumne, Calaveras, Butte, Plumas, Sierra, Shasta, and Lassen counties. (On Scene - Long-term assignment)
- **2017-SOC-44098:** 2017 December Wildfires - CalRecycle Debris Management Team in Ventura County. (On Scene)
- **2017-Inland-42559:** Daily Operations - Weather station installed to gather real time rainfall data by Air Resources Control Board (ARB). Mission extended through 05/30/19. (On Scene)

Cal OES

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
